Reviews from Other Campers: " This campground has amazing views of the ocean and the beach, right from your campsite. Some of the sites are on rocky bluffs, with completely amazing views of Casco Bay right from the campsites. Others are in the dunes, overlooking the ocean and the island's beaches. The views do not get any better than this, as you fall asleep to the lull of the ocean and wake up to a awe inspiring view of Casco Bay and the ocean beyond. For ocean camping, it does not get any better than this!!! ... "
